48TH ANNUAL DINNER & AWARDS PROGRAM

OCTOBER 24, 2018 ■ BROWN PALACE HOTEL

COCKTAIL HOUR//5:30 DINNER//7:00

For the forty-eighth year, Historic Denver will gather over 450 of Denver's civic and business leaders, design professionals, respected craftsmen and local advocates to celebrate historic preservation and the innovative success stories of the year.

Historic Denver's Annual Dinner & Awards Program honors individuals and projects that anchor our city's culture and provide for a vibrant future. Three individual awards, the Molly Brown Award, the Ann Love Award and the Keystone Award will be presented, along with four Community Preservation Awards for outstanding projects and one Re-Mix Award for an innovative mix of old and new architecture.

Each year, we have the honor of taking over the Grand Lobby of the Brown Palace for our cocktail hour. This rare privilege, in such a stunning setting, brings together those most passionate about keeping Denver, Denver.

Event sponsors garner significant recognition and premier seating during the always sold-out event, so reserve your table today! More information can be found at historicdenver.org.

This year, we are offering you the chance to get your brand and logo out to our supporters year round with sponsorships that include our large events throughout the year. We hope you will consider a donation at a higher level that will spread your good will and support for our mission throughout our community.
