49TH ANNUAL DINNER & AWARDS PROGRAM

OCTOBER 30, 2019 ■ BROWN PALACE HOTEL

COCKTAIL HOUR//5:30 DINNER//7:00

For the forty-ninth year, Historic Denver will bring together over four hundred of our city's civic and business leaders, design professionals, respected craftsmen and local advocates to celebrate the year's innovative success stories in the historic preservation field.

Historic Denver's Annual Dinner & Awards Program honors the individuals and projects that highlight Denver's cultural history while giving it an anchor in the future. Three individual awards, the Molly Brown Award, the Ann Love Award and the Keystone Award will be presented, along with four Community Preservation Awards for outstanding projects and one Re-Mix Award for an innovative mix of old and new architecture.

Our tradition of taking over the Grand Lobby of the Brown Palace for our cocktail hour remains. This rare privilege in such a stunning setting brings together those most passionate about Denver's stories and distinct character.

Event sponsors garner significant recognition and premier seating during the always sold-out event, so reserve your table today! More information can be found at historicdenver.org.

This year, we are offering you the chance to get your brand and logo out to our supporters year round with sponsorships that include our large events throughout the year. Please consider a donation at a higher level that will spread your good will and support for our mission throughout our community.

As Historic Denver looks ahead to its 50th year, we are grateful for your support of our work to safeguard the soul of our city.
